NEWS RELEASE **August 20, 2014 - For Immediate Release**

AirBoss announces $15.3 million in new orders for CBRN protective over-boots

Newmarket, ON - AirBoss Defense has received two new orders against its base year IDIQ contract for the supply of CBRN protective over-boots to the US DoD. The combined volume of these orders is for just over 400,000 pairs of over-boots, valued at approximately $15 million. Deliveries are expected to commence by the end of 2014 and continue throughout 2015. This is in addition to other orders recently received from a number of offshore markets for our full range of military products.

AirBoss of America Corp. is a group of complementary businesses using compounding technology and engineering expertise to create value for its customers. With a capacity to supply over 250 million pounds of rubber annually, AirBoss Rubber Compounding is one of North America's largest custom rubber compounding companies. AirBoss Engineered Products is a world leader in the supply of life saving products for the military and essential calandered, extruded and molded products for a broad range of applications. AirBoss Flexible Products is a leading supplier of innovative anti-vibration solutions to the North American automotive market. The Corporation's shares trade on the TSX under the symbol BOS.
