AIRBOSS ANNOUNCES INCLUSION IN S&P/TSX SMALLCAP INDEX

Newmarket, ON – AirBoss of America Corp. is pleased to announce that it will be added to the S&P/TSX SmallCap Index, effective after the close of trading on Friday, September 19, 2014. This change is the result of S&P Dow Jones Indices Canadian Index Services annual review of the index.

“The addition of AirBoss of America to the S&P/TSX SmallCap Index recognizes the growth in our market capitalization and the positive reaction the market has had to our efforts to strategically grow our business, both organically and through acquisition. We believe inclusion in the index will enhance continued strong investor interest in AirBoss”, said Gren Schoch, Chairman and CEO.

AirBoss of America Corp. is a group of complementary businesses using compounding technology and engineering expertise to create value for its customers. AIRBOSS FORWARD LOOKING STATEMENT DISCLAIMER

Certain statements contained or incorporated by reference herein, including those that express management’s expectations or estimates of future developments or AirBoss’ future performance, constitute “forward-looking statements” within the meaning of applicable securities laws, and can generally be identified by words such as “will”, “may”, “could” “expects”, “believes”, “anticipates”, “forecasts”, “plans”, “intends” or similar expressions. These statements are not historical facts but instead represent management’s expectations, estimates and projections regarding future events and performance.

Forward-looking statements are necessarily based upon a number of opinions, estimates and assumptions that, while considered reasonable by management at the time the statements are made, are inherently subject to significant business, economic and competitive risks, uncertainties and contingencies. AirBoss cautions that such forward-looking statements involve known and unknown contingencies, uncertainties and other risks that may cause AirBoss’ actual financial results, performance or achievements to be materially different from its estimated future results, performance or achievements expressed or implied by those forward-looking statements. Numerous factors could cause actual results to differ materially from those in the forward-looking statements, including without limitation: impact of general economic conditions; its dependence on key customers; cyclical trends in the tire and automotive, construction, mining and retail industries; sufficient availability of raw materials at economical costs; weather conditions affecting raw materials, production and sales; AirBoss’ ability to maintain existing customers or develop new customers in light of increased competition; changes in accounting policies and methods, including uncertainties associated with critical accounting assumptions and estimates; changes in the value of the Canadian dollar relative to the US dollar; changes in tax laws and potential litigation; ability to obtain financing on acceptable terms; environmental damage caused by it and non-compliance with environmental laws and regulations; potential product liability and warranty claims and equipment malfunction. This list is not exhaustive of the factors that may affect any of AirBoss’ forward-looking statements.

All of the forward-looking information in this press release is expressly qualified by these cautionary statements. Investors are cautioned not to put undue reliance on forward-looking statements. All subsequent written and oral forward-looking statements attributable to AirBoss or persons acting on its behalf are expressly qualified in their entirety by this notice. Forward-looking information contained herein is made as of the date of this press release and, whether as a result of new information, future events or otherwise, AirBoss disclaims any intent or obligation to update publicly these forward-looking statements except as required by applicable laws. Risks and uncertainties about AirBoss’s business are more fully discussed in the Management’s Discussion and Analysis of Financial Condition and Results of Operations in the 2013 Annual Report to Shareholders under the heading “Risk Factors”.
